

Bharat Sankriti

where community embraces culture

“Don't let your **talent stay in your**
basement”

If you are a Cultural Entrepreneur who has passion for Indian Culture, has the talent, and want to promote, BharatSankriti.org can help. Don't limit your talent and passion to your basement or few people. Let your talent fly. We can help.

At BharatSankriti.org, we can become your partner in your enterprise. You promote, we can help. We can provide free or subsidized facilities to come out of teaching from your basement or garage. You can create and manage your own committee under the BharatSankriti.org. For example, if you are fine arts painting teacher, you can create a committee called fine arts – painting. You can manage your own committee members, subscriptions and payments.

For your cultural enterprise, we can potentially offer following services:

- 1.Subsidized space for meetings or classes.
- 2.Provide you with necessary web and online presence.
- 3.Provide you with phone and necessary facility services.
- 4.Provide an online payment portal.
- 5.Provide services that can help manage your meeting schedules, cancellations etc.
- 6.Event management.

All we ask you do is, follow your passion for Indian arts and culture. Bring your talent out of your basements and let the world see what you can do.
